

WATER AND POWER EMPLOYEES' RETIREMENT PLAN

Posted March 19, 2020

Due to the COVID-19 event, the Retirement Office will be closed until at least April 3, 2020. During the office closure, the best way for us to provide assistance will be by sending an email to Retire@ladwp.com. For those without email, you may call the Retirement Office at (213) 367-1712. Our response time may require up to 72 hours. We appreciate your patience and understanding.

Please be assured that while the Retirement Office is closed, all regular retirement allowance and disability benefit will continue as normally scheduled and payable.
